

Reinforced Measures to Fight COVID-19

To make sure customers feel safe and are better able to enjoy their experience, we have put measures in place to prevent the spread of the novel coronavirus which causes COVID-19.

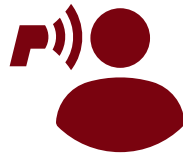

To all visitors

We ask that you cooperate with the following measures to help us prevent COVID-19 infection.

Sanitizing Stations

Please sanitize your hands when entering the facility.

Temperature Checks

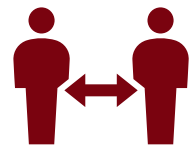

We reserve the right to refuse entry to visitors who do not feel well or who have fever of 37.5°C or over.

Before beginning activities, you will be asked to take your temperature and confirm that you are feeling well.

Face Masks Required

Wear a mask at all times.

Physical Distancing

Maintain a suitable distance between yourself and other visitors.

If, during your visit, you begin to feel ill, promptly notify facility staff.

Steps we are taking to protect visitors

Facility staff are taking the following measures

Face Masks Required

All staff wear masks.

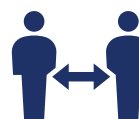

Frequent Cleaning and Disinfecting

All public areas are frequently cleaned and sanitized.

Improved Indoor Ventilation

The facility is kept ventilated.

Physical Distancing

Staff make sure proper distancing is enforced. (The number of visitors will be restricted if there is a risk of overcrowding.)

Employee Health Monitoring

Staff are taking care of their own health by frequently washing their hands, taking their temperatures, and checking for any signs of illness.

Pre-booking Options

We recommend visitors make reservations before their visit.

Along with the above measures, we follow the instructions in "Guidelines for Hands-on Experience Facilities to Prevent Spread of the Novel Coronavirus (first edition)" endorsed by the MLIT.
